

# Transit Advisory Committee volunteers needed

Influence transit in Durham... join  
the Transit Advisory Committee

Durham Region Transit (DRT) Commission is seeking ten members of the community to serve on the Transit Advisory Committee (TAC). The Committee meetings follow a bi-monthly meeting schedule, with a break for summer recess. All meetings are held at Regional Headquarters: 605 Rossland Rd. E., Whitby ON

## SCOPE OF ACTIVITIES

Provide input to the Transit Executive Committee and DRT staff on:

- ▶ issues and concerns of public transit users.
- ▶ urban and rural conventional and specialized transit policies including the review of transit service plans, marketing and communications plans, and the provision of on-street amenities and route infrastructure.
- ▶ the implementation of Provincial and Federal legislation, policies and guidelines related to the public transit industry
- ▶ the identification and implementation of programs that create public awareness and educate residents on the benefits of public transit.
- ▶ as well as, provide a forum for transit stakeholders to identify issues affecting delivery of transit services.

## MEMBERSHIP

- ▶ Eight public members nominated for appointment by the area municipalities who represent a diversity of transit users and stakeholders in the community
- ▶ Two members at large appointed by Transit Executive Committee from the applications received but not nominated by local municipalities who use conventional, community bus or specialized public transit service
- ▶ Members must be a resident of The Regional Municipality of Durham.
- ▶ Membership will be for a four year term corresponding with the term of Regional Council.
- ▶ The relevance of the applicant's personal experience with transit and interests to the mandate of the TAC will be important considerations.
