Blue Night Routes

Blue Night Route N1 operates when regular PULSE service on Highway 2 and Simcoe Street is not operating.

Blue Night Route N2 operates between midnight and approximately 02:00 (01:00 Sundays).

See DurhamRegionTransit.com for schedules or use Transit App to plan your trip.

Overnight On Demand

Overnight On Demand is available at bus stops more than a 10-minute walk from an operating bus route, from approximately 22:00 until 05:30.

Overnight On Demand can be used to travel within your municipality and to connect with Blue Night Route N1 at the transfer locations shown.

Connections from the Courtice-Bowmanville area to Simcoe and Bond in Oshawa are also available.
